

# St Joseph's Day

We did some amazing tricks. It was cool. I was really good at balancing it was easy.

St Joseph,  
watch over me and care for me just as  
you cared for the child Jesus;  
and by your help, may I come to know  
your Son,  
and so grow in strength and wisdom  
and the favour of God.  
Amen.

I was better than  
my teacher...I got  
the feather to bal-  
ance on my nose.

I thought the  
man would fall  
off the box but  
he didn't...

The man was really  
clever. He could do  
loads of stuff.  
It was the best  
day ever.  
I wish we could do  
that everyday!

Today we celebrated the feast day of St Joseph by learning what a kind man he was and how he cared for God's son—Jesus

As a special treat for this day we learnt circus skills and other fun activities.

Can you believe the children can now balance a peacock feather on one finger and the youngest children can make a parachute fly!

That was just two of the many amazing things today.
